I thank you all for your cooperation.

My IT staff informs me that they will be sending a new WebEx invitation, and all parties will be using computer audio. I understand that there will not be a call-bridge for the parties, and that everyone will be on the computer audio.

In short: you all have a new WebEx invitation coming. Please be sure to use that one.

I'm sure that our IT personnel would be able to walk anyone through any difficulties we experience tomorrow morning.

Regards,
 David Stark

I understand that Frank Knapp and Thad Culley from Vote Solar would like a test – particularly with the screen share function. Anyone else?

David,

I have never used the screen share function, so I'd be interested in joining in with Frank and any others interested in a test run. Thank you for your consideration.

Do any parties have thoughts on this? Or take exception to it?

I'm trying to make everything as efficient as possible - I'm sure that you all have things you need to do. Certainly it is not my intent to deny anyone the opportunity for a test run with the technology.

For clarity, I would request that the parties notify me of their intended witness order for the 2020-229-E hearing.

I understand this is a duplicative request - for which I apologize - but there is some uncertainty on my end that must be resolved.

David,

We have also filled out the contact information survey for SACE, CCL, and Upstate Forever counsel and for two witnesses: (1) Tom Beach, who will testify on behalf of SACE, CCL, Upstate Forever, Vote Solar, NCSEA, and SEIA, and (2) Eddy Moore, who will present surrebuttal testimony for SACE, CCL, and Upstate Forever.

We would also like to update our witness order accordingly. Since Tom Beach is a joint witness, we would propose to present him first, followed by Eddy Moore on behalf of SACE, CCL, and Upstate Forever, and then Justin Barnes for NCSEA.

Thank you,

Subject: 2020-229-E Virtual Hearing Plan

Importance: High

Parties:

Please fill out this survey – really it's contact information for our virtual hearing – by the end of the day. Please indicate if you need a virtual test, which would need to be scheduled for Monday, I think.

My observation is that every representative and every witness has participated in a virtual hearing before the Commission. I would think that this process is not new territory. Nevertheless, let me know as soon as possible – via email to all parties - if there is a need for a test and I will work with staff to get that accomplished.
